

The G3 EZee Fold DLX power wheelchairs

The CH4085 DLX EZee Fold power wheelchair is one of our “top of the line” Deluxe lightweight folding wheelchairs. The CH4085 DLX has 8” front casters with suspension forks, 12” rear wheels and optional elevating leg rests. It is designed for those who want a high quality folding power wheelchair for use indoors and outdoor surfaces.

It’s 21 km range will provide all day independent mobility for even the most active users. Range is dependent on terrain travelled, age and condition of batteries and load weight on wheelchair.

CH4085 EZee Fold Folding Power Wheelchair

Like many more expensive power chairs, the EZee Fold DLX is driven using a joystick that can be mounted on either side of the chair and has flip back arms for easier transfers and access. The chair comes standard with a removable, washable, seat and back cushion for comfort and a seat belt for safety.
