## MULTI-BODY FIT

### Standard Adjustability

Change seat and footrest height and space between armrests to match body type.

### Larger Option

Standard generous-sized seat. Optional extra-wide seat.

## SLEEK RAIL DESIGN

### Slim Rail

Vertical rail installs close to wall to leave maximum space on steps.

### Covered Gear Rack

Reduces exposure to grease, gives sleek appearance and avoids pinch-points for children and pets.

## POWERFUL OPTIONS

### Power Footrest

Fold the seat, and the footrest will automatically fold. Ideal for those with back problems or inability to lean over.

### Power Swivel

Push an armrest control to swivel seat to exit. Good for people without dexterity to lift seat lever or ability to guide swivel action with feet.

### Power or Manual Folding Rail

Fold the bottom rail section to avoid creating an obstruction when nearby doorway or narrow hall.

### Wider Seat

Increase size of Elite seat from 457 mm x 381 mm to 572 mm x 419 mm.

## SAFE, SIMPLE OPERATION

### Easy Operation

Armrest control paddle powers stairlift up and down. Two wireless remotes also included.

### Swivel Exit

Seat swivels up to 90° and locks in place for safe exits away from stairs. Seat belt and obstruction sensors further safety.

## PEACE-OF-MIND DEPENDABILITY

### Continuous Charge

Battery-powered performance even during power outage. Stairlift continuously charges anywhere it stops on rail.

### Lifetime Limited Warranty

Superior engineering backed by the industry's most comprehensive warranty.
