The **Invacare® Matrx® PS Cushion** is an exceptionally lightweight cushion designed to provide superior positioning, stability and comfort. The design features an anatomically contoured shape with a unique waffled ischial relief recess and an innovative reversible outer cover. It is a great choice for a very wide range of individual needs, including pediatric, geriatric, bariatric and highly active.

Features and Functional Benefits

Reversible outer cover - Innovative reversible Dartex® outer cover may be used smooth or fabric side out. Dartex® fabric is moisture proof and breathable. Hook and loop fastener strips

Inner cover - Moisture resistant. Easily wiped clean. Zippered cover allows access for cushion modifications

Cushion Foam - Durable high resilient foam prevents "bottoming out". Anatomically molded shape for optimal positioning & comfort. Rear radius for sacral support. Waterfall front edge. Made with Ultra-Fresh™ for antibacterial and odor protection

Ischial relief area - Waffled recess provides immersion of bony prominences. Helps maintain pelvic position and prevent sliding

Custom Modifications - Leg length discrepancies, width/depth reductions. Foam, inner and outer covers modified to your specifications

Cushion Ridigizer - Lightweight, slim profile solid seat insert. Contoured to eliminate "hammock effect" of sling upholstery

Pelvic Obliquity Kit - Easily installed on Invacare Matrx PS cushions. Accommodates .5" or 1" obliquities
