

R82 Wallaroo

A child restraint that provides
comfort, safety and support

 **etac**[®]

R82 Wallaroo

The Wallaroo is a forward-facing child restraint providing safety, style, comfort and support, and offers a variety of optional accessories for additional positioning in the head, trunk, and pelvic areas. A foam head rest will keep the child's head and neck secure. A 5-point padded harness easily adjusts to fit your growing child and an optional seat depth expansion feature creates even more growth. LATCH

options provide for safe and convenient installation. An optional wedge achieves a 30° seat angle tilt ensuring the best comfort for your child and installation angle for your vehicle. Select from one of three cover colors in water-repellant, washable fabric. The Wallaroo™ is an exceptional child restraint which makes travelling convenient for the whole family.
